

STEM Engineering with LEGO!

at the Tower Street School Community Center!

Ratchet up your imagination with tens of thousands of LEGO®! Build engineer-designed projects such as Motorcycles, Castles, Airplanes, and Monorails. Then use special pieces to create your own unique design! New and returning students can explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor.

Into to STEM with Lego

Thursdays, January 26th - March 30th
(No Class 2/23)

4:00pm - 5:30pm

Open to Girls and Boys in Grades K - 3

\$155 for 9 sessions

Register at 93Tower.org or call (401) 348- 2715

Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. [Learn more at play-well.org](http://play-well.org).
