# NEW Early Head Start Program in Washington County!

Tri-County Community Action Agency is pleased to announce our **NEW** Early Head Start program, servicing Washington County.

Early Head Start offers children from birth to three years of age and pregnant women comprehensive child development and family support services.

The new Washington County Early Head Start program is now recruiting for children 18 months to age 3 for a full year classroom, and from birth up to age 3, and expecting mothers, for Home-Based program options. The Early Head Start program will begin in the spring of 2017. Participants must meet income eligibility requirements.
